

ECMTB 2018

LISBON

ECMTB 2018 (www.ecmtb2018.org)

The 11th **European Conference on Mathematical and Theoretical Biology (ECMTB 2018)** will be held in **Lisbon, Portugal**, from **23 to 27 July, 2018**. The venue is the Faculty of Sciences of the University of Lisbon and its research centre CMAF-CIO will host the event. This will be a main event of the **YEAR OF MATHEMATICAL BIOLOGY (YMB)**; <http://euro-math-soc.eu/year-mathematical-biology-2018>, set up by European Society for Mathematical and Theoretical Biology (ESMTB) and the European Mathematical Society (EMS). For that reason, ECMTB 2018 will, for the first time, be a joint ESMTB-EMS conference and will be co-organized by SPM (Portuguese Mathematical Society).

We invite all researchers and students interested in Mathematical and Theoretical Biology and its applications to join us on this exciting conference! Registrations are now open on the Conference webpage <http://www.ecmtb2018.org>. Applications to Minisymposia, Contributed Talks and Posters are also opened and the corresponding abstract templates are available on the webpage.
